Love or music: which should they choose and what price do they have to pay? Felice, Kit's sceptical best friend, doesn't believe Kit and Tully woke a sleeping god and were offered a choice. Instead, she's looking forward to the year ahead where everyone's wish is about to come true. Felice has got a coveted place in art college and just as they dreamed of in school, she and Kit are going to share a cottage in Dublin. Tully is back from a UK tour while Spike has promised to chaperone Kit around Trinity and orchestrate a brilliant social life for them all. What could possibly go wrong? But when their best-laid plans start to unravel, not even Felice can deny that the fateful choice might have consequences for them all. What early readers say: another great addition to the Kit and Tully series from Mo'cha. I actually liked reading from Felice's point of view for this book. It's definitely a great nostalgia read if you grew up in the late 90s/early 00s like I did. I can't wait to see what happens in the next book in the series and who we follow for that. One Goodreads reviewer: Felice was one of my favorite characters in the other books and I liked that this book gave her a lot of layers. I love the nice brief chapters and Mo'cha VonBee's writing style and I can't wait to see what happens next for this group of friends. Goodreads reviewer: This story provides great insight into how Felice sees herself and how she wants to be perceived by her family, friends, and other people around her. The series continues being mysterious, compelling, and lots of fun to read with well-written, three-dimensional characters. 1990s Irish setting, friendship, love, secrets, art, music, and Celtic mythology. I highly recommend this book and series. Goodreads reviewer: Really enjoyed this story and seeing what the characters have been up to. Loving this series and I think it'll be a big hit. NetGalley reviewer: Another lovely short book in this great series about love and friendship. Seeing what her Felice's life is really like made it a lot easier to see why she acts the way she does in the earlier books. I still love the nice short chapters and Mo'cha's writing style and I can't wait to see what happens next for this group of friends. Goodreads reviewer: I loved how the novel was short enough to read in one sitting and how you get to know the characters. Mo'cha has done it again with another brilliantly written, easy-to-read novel which I highly recommend. Goodreads reviewer:
